Why Builders Struggle (Even with a Team)

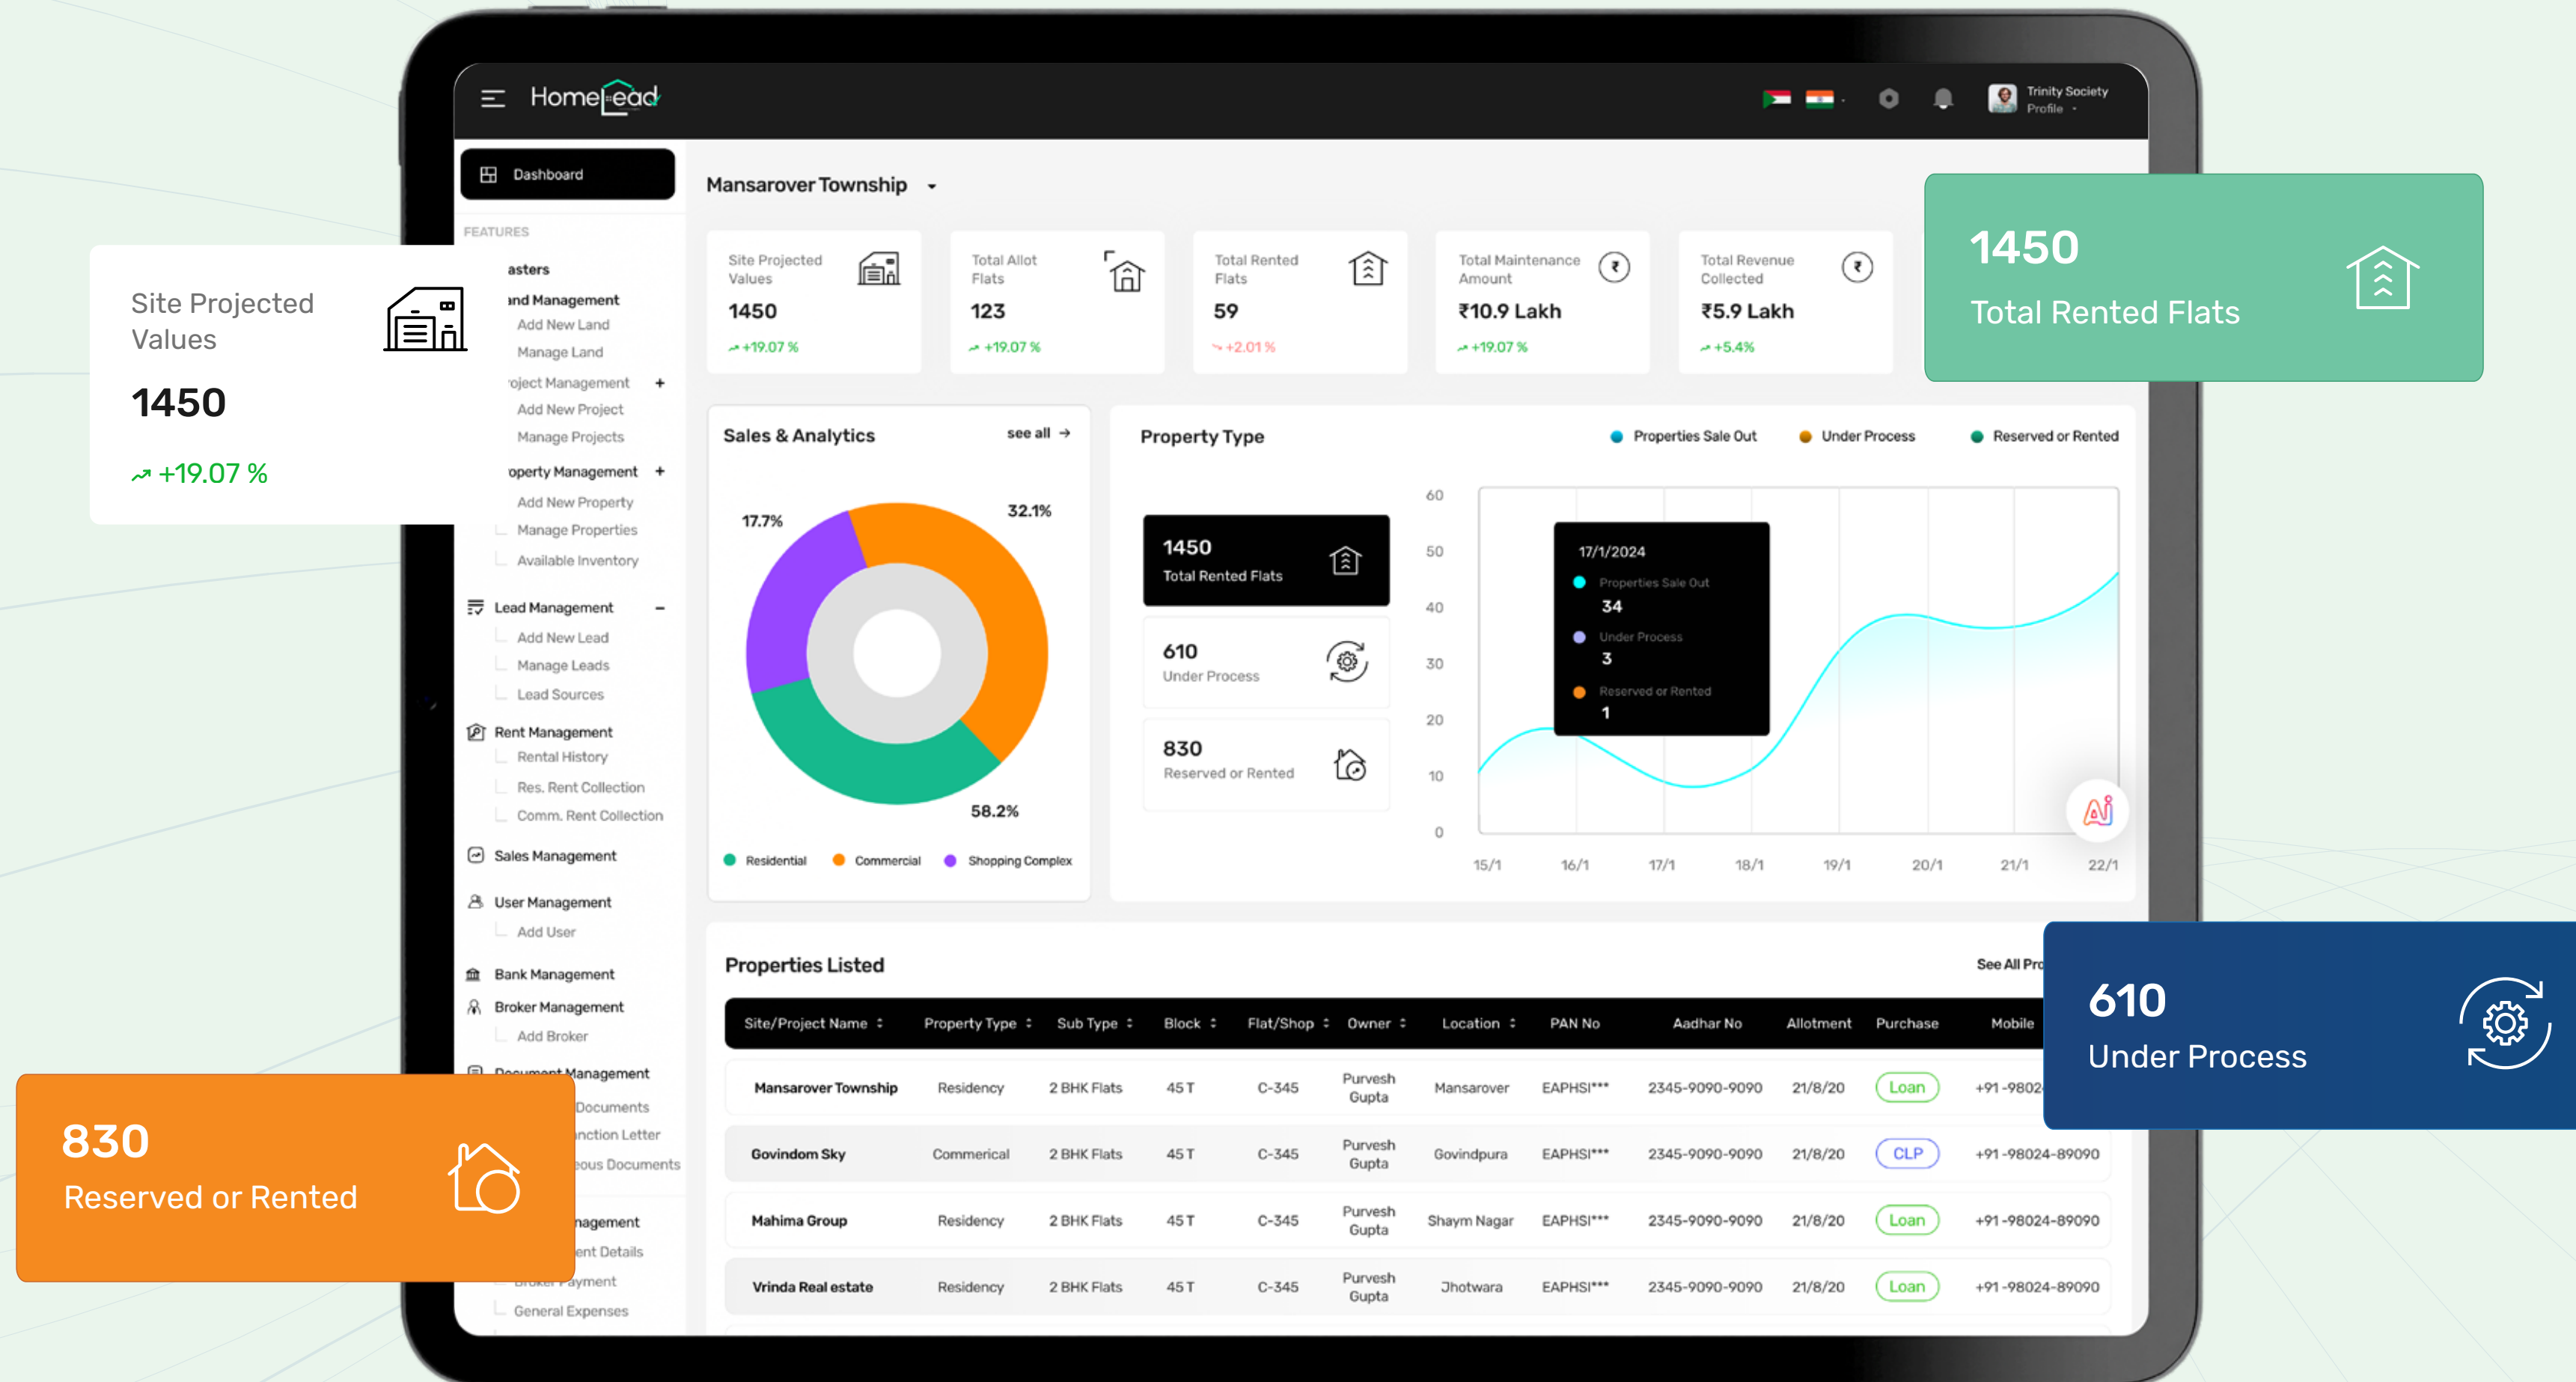

- ✔ Your leads are spread across 5 platforms.
- ✔ Site visits are scheduled... and forgotten.
- ✔ Contractors vanish mid-project.
- ✔ Brokers don't update status.
- ✔ Sales team says, **"ho jayega,"** but CRM says otherwise.

It's not your fault. It's your system.

Meet HomeLead

A single platform that connects your sales, brokers, contractors, clients & documents in one seamless, no-nonsense dashboard.

Dashboard – Your Real Estate Command Center

- ✔ Bird's eye view of sales, inventory, rent, team & progress
- ✔ Real-time status updates, reminders, follow-ups
- ✔ Daily sales & activity breakdown
- ✔ Filters by source, project, broker, team member

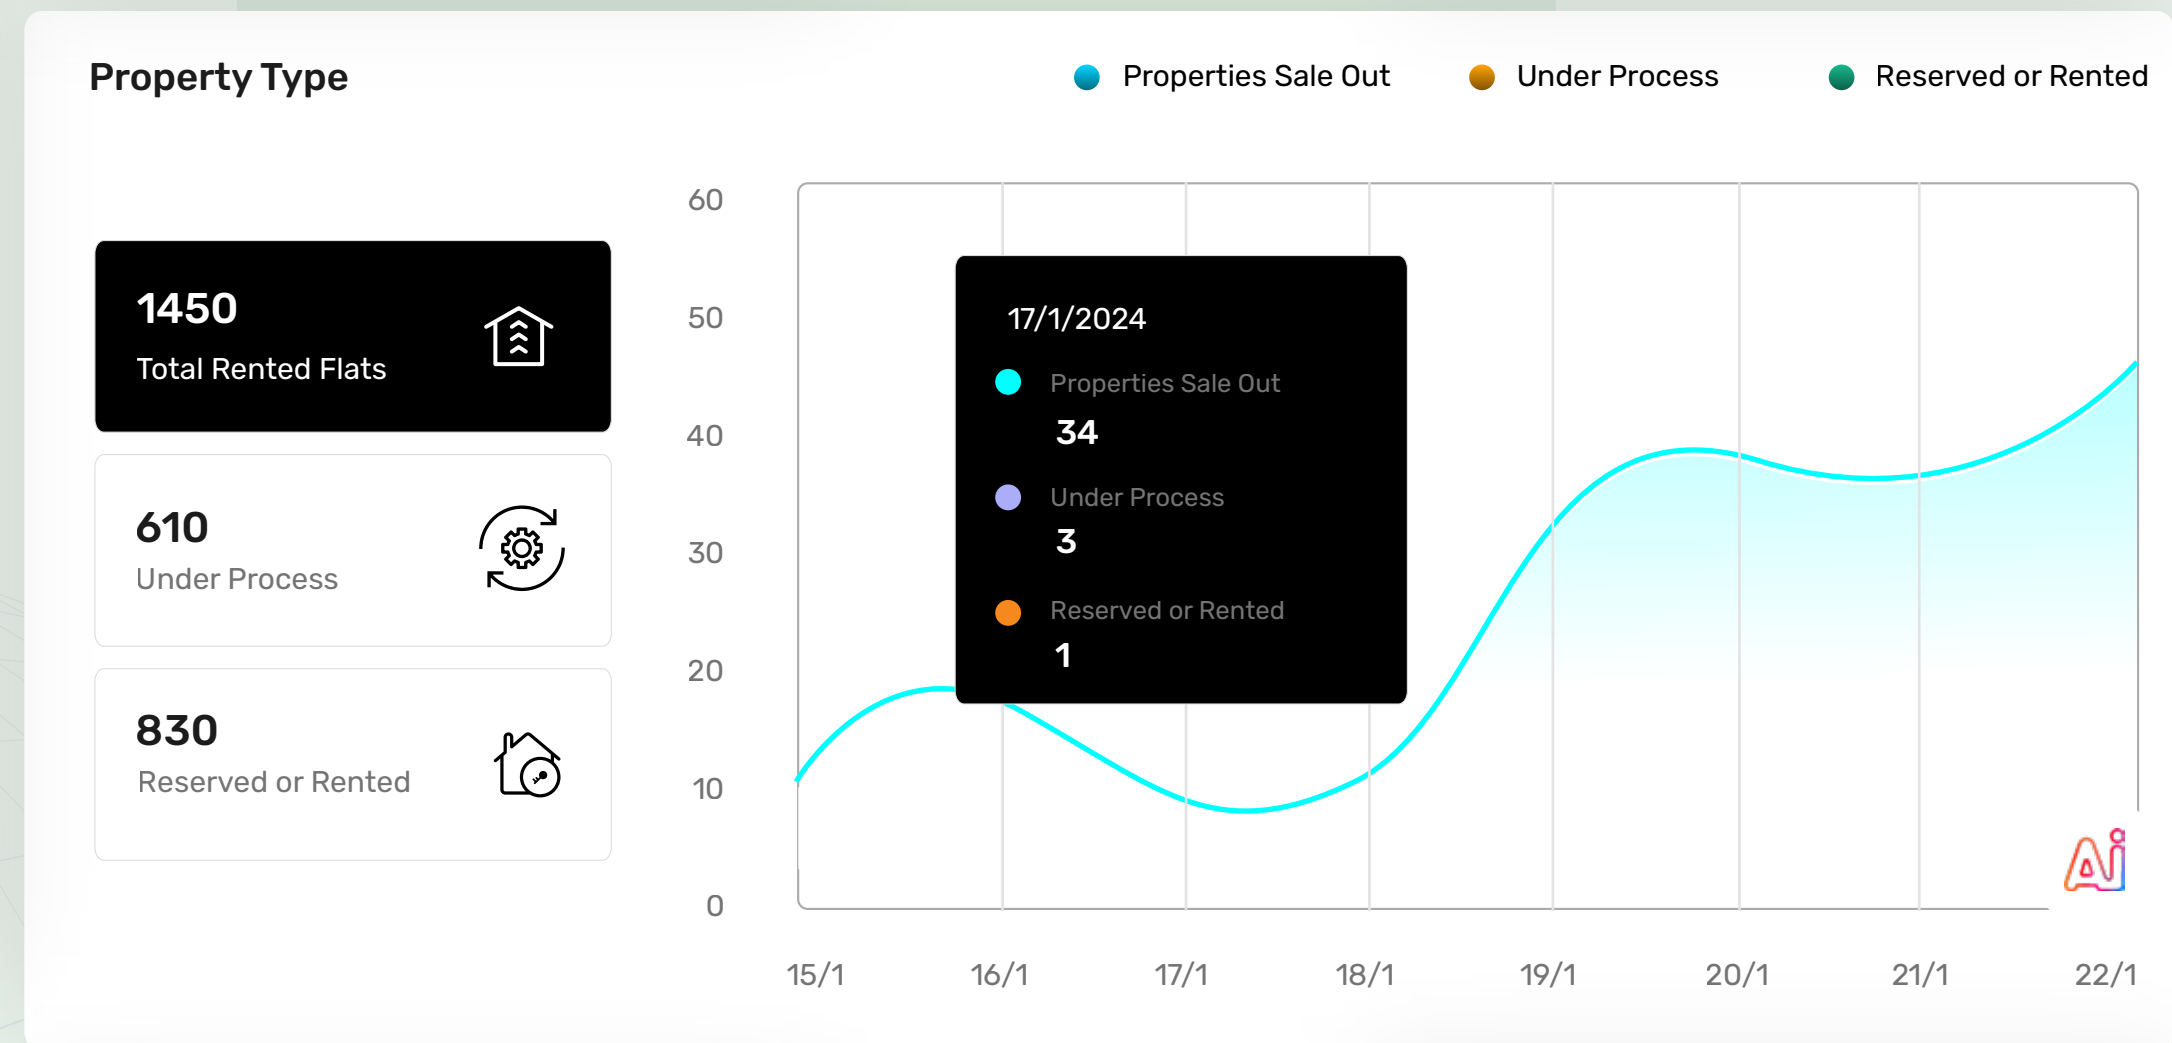

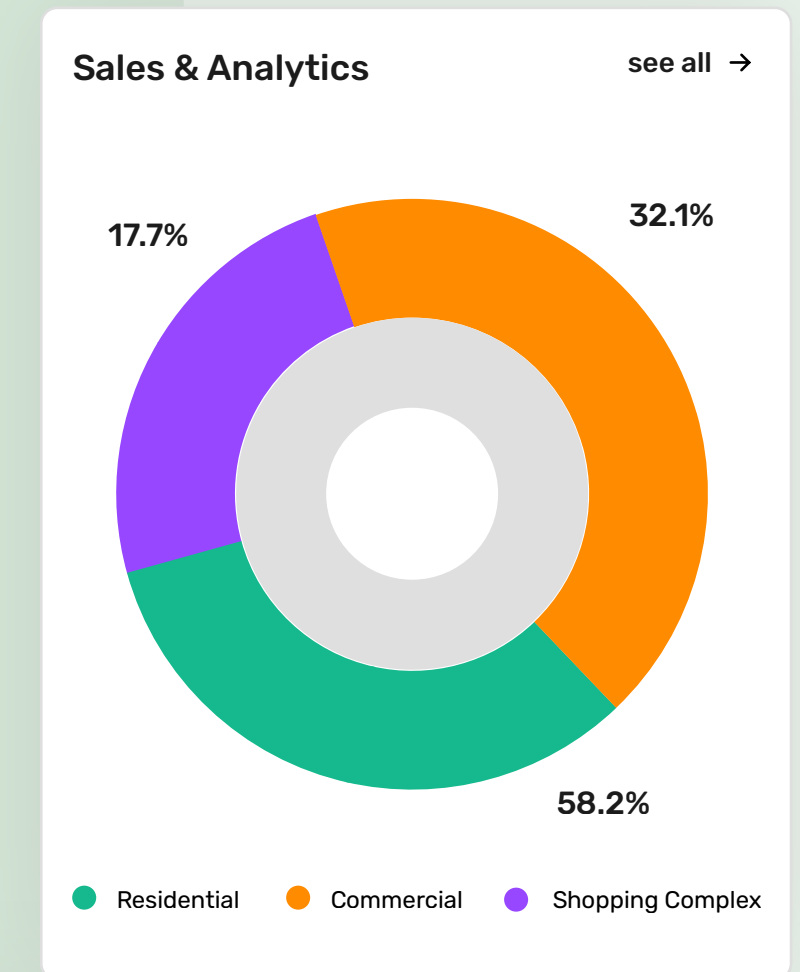

Your business at a glance. Your control in one click.

The screenshot displays the Homelead CRM interface. On the left, a sidebar lists features like Masters, Land Management, and Project Management. The main area shows a 'All Leads' view with a search bar, filters for lead status (Fresh, Ongoing, Not Interested, Trash), and a table of lead entries. A 'Lead Analysis' popup is overlaid, showing a pie chart of lead status (Fresh: 64, Ongoing: 40) and a bar chart of lead sources (99 Acres, MagicBricks, Housing.com, Proptiger, SquareYard). The lead list includes columns for L.No., Lead Name, Contact Number, Email Address, Source, Property Type, Budget, and Assign to, with actions like 'Assign Lead' and 'Edit Assign'.
